

# Mr. Dreher's Class

## Polite Requests

Please can you send your child to school with a bag and appropriate clothing for the day's weather forecast, e.g. jumper, coat, woolly hat and gloves, when it is cold and a cap or sun hat, when it is sunny,

In addition, please can you send wellies and trainers in to school, and where possible can pairs be kept at school?

The clothing and footwear will help your child to learn outside the classroom in all seasons.

Thank you in advance.

Here is some information, which you may find useful, as your child starts the new school year. We look forward to working with you, to make your child be the best that they can be! Mr. Dreher ☺

## Curriculum

During the first half of the Autumn Term we're studying the following subjects/topics: Computing: Coding; History: Leisure & Entertainment; PE: Health Related Fitness and Swimming; PSHE: Be Yourself; Music: Livin' on a Prayer (Bon Jovi); Art: North America Art and Science: Animals, including humans. English and Maths will be taught in differentiated groups, usually by another teacher.

In addition, your child will experience a variety of indoor and outdoor nurture sessions, which will provide your child with the support they need to feel safe at school; to be able to get on with other children and develop the confidence and resilience they need to succeed both academically and in life.

Homework is Maths (Times Tables) and English (online reading). You can help your child learn their times tables using <https://www.topmarks.co.uk/maths-games/hit-the-button> and if you wish your child's individual user name and password for Bug Club, please let me know and I'll message them to you.
